HOPKINS COUNTY, KY - In appreciation of Homecare month, Caretenders Home Health would like to recognize their staff and Progressive therapy staff.

Caretenders Home Health is located at 352 East Center St. Madisonville and services Hopkins and Webster Co. Caretenders mission is one of Senior Advocacy. We are committed to providing home healthcare that looks beyond the obvious needs of seniors enabling them to live in their homes as long as possible. We provide focused education for all of our staff on the care of seniors and utilize senior-focused assessment tools to better evaluate and treat their complex medical needs.

Caretenders brings their expertise to the home or assisted living. Caretenders provides skilled nursing, physical, occupational and speech therapy as well as a medical social worker and home health aide.

At Caretenders we believe in the importance of supporting the needs of those in our

communities. We involve ourselves in local organizations, outreach programs and special events, and encourage a spirit of service among our employees. Giving back is a value that Caretenders truly supports.
