The Madisonville North Hopkins Basketball Boys lost a close one Saturday night in Owensboro at the Apollo/Kentucky 811 Classic.

The Maroons took it on the chin from Owensboro losing 68-64. The game went back and forth most of the first quarter with the three point shooting of Robert Hatchett keeping the Maroon close. At the end of the first quarter, Owensboro led 15-10. The rest of the night, the Maroons were chasing the Owensboro Red Devils as they got behind and then would get close and then get behind again. Going into the 4th quarter the Maroons were behind 48-42. They got behind as much as 10 points, but with some great defensive work and getting some shots to fall, they were able to pull to within three points. At the end however, they weren't able to make the foul shots when they needed them and Owensboro was able to make their shots. Leading the way in the scoring was Robert Hatchett with 22 points, and Dylan Basham with 15 points. The Maroons will take on Du Pont Manual on Sunday at 2:45 and then will play North Hardin at 1:00 on Monday.
