HOPKINS COUNTY, KY – Sports fans around the nation were shocked today to learn that the New York Yankees Coach, George Steinbrenner, passed away at 80 years old on Tuesday.

According to sources, Steinbrenner suffered from a massive heart attack. After being rushed to a nearby hospital, Steinbrenner passed away.

In the early 70's, Steinbrenner had taken over as owner of the team. Since then, through his leadership, the Yankees have claimed seven world series titles over the years.
